Investigations by TMB of Medical Malpractice

Section 164.201 of the Act requires that: the board review information relating to a physician against whom three or more malpractice claims have been reported within a five year period. Based on these reviews, the following investigations were conducted with the listed resolutions.

NONE

Status History

Status history contains entries for any updates to the individual's registration, licensure or disciplinary status types (beginning with 1/1/78, when the board's records were first automated). Entries are in reverse chronological order; new entries of each type supersede the previous entry of that same type. These records do not display status type. Should you have any questions, please contact our Customer Information Center at 512-305-7030 or verificic@tmb.state.tx.us

Malpractice Information

Section 154.006(b)(16) of the Act requires that: a physician profile display a description of any medical malpractice claim against the physician, not including a description of any offers by the physician to settle the claim, for which the physician was found liable, a jury awarded monetary damages to the claimant, and the award has been determined to be final and not subject to further appeal. The physician has the following reportable claims.

Description: NONE

Criminal History

Self-Reported Criminal Offenses:The physician is required to report a description of (1) "any conviction for an offense constituting a felony, a Class A or Class B misdemeanor, or a Class C misdemeanor involving moral turpitude" and (2) "any charges reported to the board to which the physician has pleaded no contest, for which the physician is the subject of deferred adjudication or pretrial diversion, or in which sufficient facts of guilt were found and the matter was continued by a court of competent jurisdiction."

NOTE: The 78th Legislature amended Section 154.006 of the Texas Occupations Code and removed a previous ten year limitation to physician and Board reported actions in physician profiles. Board reported actions are now listed without the ten-year limitation, however, physician

reported items, such as criminal history and disciplinary actions by other states may not be fully incorporated in the profile until all physicians in this database have completed a registration cycle. The physician has reported the following:

Description: NONE

Criminal history information is also obtained by TMB from the Texas Department of Public Safety. Resulting action, if any, will be reported under the TMB Action and Non-Disciplinary Restrictions section above.

Disciplinary Actions By Other State Medical Boards

TMB routinely receives reports of actions by medical boards of other states. After review and investigation, the resulting action taken by TMB, if any, will be reported in the section above. The information here is reported by the physician.

NOTE: The 78th Legislature amended Section 154.006 of the Texas Occupations Code and removed a previous ten year limitation to physician and Board reported actions in physician profiles. Board reported actions are now listed without the ten-year limitation, however, physician reported items, such as criminal history and disciplinary actions by other states may not be fully incorporated in the profile until all physicians in this database have completed a registration cycle.
